

MY FIRST CONFERENCE 2023

7th Annual PhD Conference on Engineering and Technology

My First Conference is one-day international gathering of PhD students in engineering and technology, organized by the Faculty of Civil Engineering, Faculty of Engineering and Faculty of Maritime Studies, University of Rijeka.

The conference papers will be presented during the conference program, published in the book of conference abstracts, and selected authors will be invited to submit full papers to the accompanying journals (Engineering Review; Pomorstvo).

Conference goals

- providing feedback to students for their ongoing research
- connecting young doctoral students from different institutions and different countries
- international and interdisciplinary networking
- international conference environment using English as the conference language
- improving presentation skills at a scientific conference

September 14, 2023

Faculty of Engineering

Vukovarska 58, Rijeka, Croatia

Important dates

01.07.2023. Abstract submission

15.07.2023. Notification of acceptance

Other information

- no registration fee or other costs
- free lunch to all students presenting their research at the conference
- digital copy of the Book of Abstracts
- conference registration and paper submission- at the [conference web site](#)
