# International Conference on Sustainable Transport

29 SEPT TO 1 OCT 2022 | OPATIJA, CROATIA

Dear authors, it is a great pleasure to invite you to the first edition of the "**International Conference on Sustainable Transport - SuTra 2022**" that is going to be held in **Opatija, Croatia** on **29 September - 01 October, 2022**.

Conference is organized jointly by the Faculty of Maritime Studies, Rijeka, Croatia and University North, Koprivnica, Croatia, and with a co-organization of the Faculty of Economics and Business, Rijeka, Croatia and Faculty of Maritime Studies and Transport, Portorož, Slovenia. Support and participation of more than 20 institutions and companies from transport and maritime sector is expected. So far, we kindly acknowledge the support of following institutions: Faculty of Engineering, Rijeka, Croatia; Faculty of Civil Engineering, Rijeka, Croatia; Faculty of Transport and Traffic Engineering, Belgrade, Serbia; MDPI, Basel, Switzerland.

The intention is to bring together key stakeholders in transport sector (maritime, rail, road and air) to interdisciplinary discuss sustainable future of transport. The conference will have academic program with presentations from international scientists divided into several sessions, as well as interesting panels and round tables hosting speakers from business and government.

The conference will be held live and onsite to allow networking of participants and open the gates for return to "old normal".

Main venue of the conference is Hotel Ambassador\*\*\*\*\* in Opatija, and participants can enjoy special discounts on accommodation at the Hotel Ambassador or Hotel Imperial\*\*\*\*.

Prospective authors are cordially invited to **submit their abstract no later than 01 June, 2022**. Submitting a full paper is not compulsory to attend the conference.

Authors will have the chance to submit their full papers to the supporting journals Sustainability (WoS, CC), Logistics (WoS, ESCI) and Pomorstvo (WoS, ESCI). Pomorstvo is an open-access journal without publishing fees, while authors whose papers are accepted for Sustainability or Logistics will benefit from 20% reduction on publishing fee.

All further info can be found on conference website: <https://sutra2022.sciforum.net/>

Looking forward seeing you all in beautiful Opatija in September, we send you warm regards!
