Fluentis d.o.o. is a partner company of the Italian group Fluentis Srl with many years of experience in the IT sector that develops its own ERP solution.

The candidate we are looking for is motivated, proactive and wants to learn and progress on a professional level.

The new employee will be a part of the technical team and will follow existing and new clients during the software implementation and support our analyst team.

Daily activities will include testing functionalities of the program, operational support, and optimization of solutions.

Being part of our team means being part of a continuous business growth. We believe that each individual with their unique life experience can contribute to the success of our business and develop skills in different sectors.

What are the terms?

• understanding of ERP solutions

• understanding of programing concepts and principles

• system and application knowledge MS SQL and .Net

• mandatory knowledge of English, preferably Italian

What do we offer?

• Professional growth;

• Professional training.

If you think that you meet the requirements for one of the positions listed above and want to become part of an international team send us your resume to e-mail: karijera@fluentis.com.

All of our applicants will be provided with equal opportunities regardless of their age, sex, race, disability, sexual orientation, culture or any other non-work related personal characteristic. All applications will be considered under the terms and conditions of confidentiality in accordance with the regulations of personal data protection.
